Colorado Crew Cab
Short Box ZR2 in Red Hot.

Based on WardsAuto.com 2016 Small Pickup segment and latest competitive information available at time of printing.

Based on WardsAuto.com 2016 Small Pickup and Large Pickup segments and latest competitive information available at time of printing. Excludes other GM models.

Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

Requires Colorado 2WD model with available Duramax 2.8L Turbo-Diesel 4-cylinder engine and available Trailering Package.

One thing you need to know: Colorado will never be content to sit still.

Even though the available V6 has the most horsepower in its class, we knew we could push the boundaries of what a mid-size pickup is capable of. Colorado with the available Duramax® 2.8L Turbo-Diesel engine offers the best fuel efficiency of any pickup as well as best-in-class towing capability and torque. And for an encore, we created the brand-new ZR2, the truck built to dominate the off-road from the word “go.”

The 2017 Colorado. This is what happens when you never stop striving for more.
1. LIGHT THE WAY. Projector-beam headlamps, a gunmetal grille and model-specific badging bring a one-of-a-kind appearance to Z71.

2. NO ROADS NECESSARY. With 17-in. Dark Argent Metallic-painted cast-aluminum wheels and all-terrain tires, Colorado Z71 4x4 defines trail-ready.

3. ALWAYS A STEP AHEAD. It’s easy to reach the cargo bed of Colorado with the ingenious CornerStep rear bumper.

4. GIVE YOURSELF A HAND. Corner hand grips are standard and cargo tie-down rings from Chevrolet Accessories are available, elevating Colorado cargo bed functionality to an even higher level.
CUSTOM SPECIAL EDITION

SPRAY-ON BEDLINER
PREMIUM ALL-WEATHER FLOOR LINER
AVAILABLE ON EXTENDED CAB LT MODELS
With segment-exclusive front and rear electronic locking differentials, first-in-class Multimatic DSSV™ Damping System that offers an exceptional ride, one-touch terrain select for desert, mud or mountains, 50 mm front and rear lift, and 90 mm wider stance, ZR2 is the off-road mid-size pickup every competitor wants to be when it grows up.

THE SOURCE OF ZR2 POWER.
Where you're going, ordinary engines won't do. The available GM-exclusive Duramax 2.8L Turbo-Diesel engine produces 369 lb.-ft. of best-in-class torque. And the 3.6L DOHC V6 sets high standards too, delivering a massive 308 horsepower and 269 lb.-ft. of torque.

TRAIL-READY FORM AND FUNCTION.
Tubular rocker panels protect your lower doors when you head off road, while skid plates help defend against underbody damage. A bed-mounted spare, available from Chevrolet Accessories, helps ensure you have the most rear clearance possible when roads get steep.

AN AGGRESSIVE ATTITUDE.
The new front fascia and grille let your trail buddies know ZR2 has arrived. A hood scoop and wheel flares intensify the appearance. Inside, ZR2 doorsill plates and embroidered head restraints are standard, and the Driver Information Centre displays your off-road performance.
MAKE YOURSELF COMFORTABLE. The seats in Colorado are contoured for maximum support and legroom. For added comfort on a cold day, heated front bucket seats are available on LT and standard on Z71.

BEYOND QUIET. Colorado is the first truck in its class to combine design features such as inlaid triple-sealed doors and thick windshield and side glass to help reduce wind noise inside the cab.

SMART STORAGE. A huge centre console provides a convenient storage area for your valuables. Crew Cab models feature a fold-down rear seat with hidden under-seat storage.
EVEN THE TOUCH-SCREEN IS SMART.
Available Chevrolet MyLink® lets you arrange icons and features on the colour touch-screen. Touch and swipe on the screen just like you do on your smartphone.

DRIVER INFORMATION CENTRE.
An available full-colour 4.2-in. diagonal multi-function display provides critical data at a glance, including tire pressure readouts, instant and average fuel consumption, digital speedometer, fuel range and much more.

MAINTAIN YOUR CONNECTIONS.
Thanks to the available built-in OnStar 4G LTE with Wi-Fi® hotspot, you have the ability to seamlessly connect smart devices and your vehicle to the Internet. It offers great signal quality and bandwidth for up to seven devices.

myChevrolet® MOBILE APP.
Download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off the engine, lock/unlock the doors, send destinations to your available navigation® system, and more.
A properly equipped Colorado with the available 3.6L V6 engine can tow up to 3175 kg (7000 lb.).1, 2 With the available Duramax 2.8L Turbo-Diesel 4-cylinder engine, it can tow up to 3493 kg (7700 lb.).2, 3 That’s full-size capability in a more manoeuvrable package.

POWER AND EFFICIENCY. The available Duramax 2.8L Turbo-Diesel 4-cylinder engine produces 369 lb.-ft. of torque, which is best-in-class.4 With this available engine, the award-winning Colorado is also the most fuel-efficient pickup you can buy5, 6 — offering a remarkable highway fuel consumption rating of 7.9 L/100 km.5, 7

6-SPEED AUTOMATIC TRANSMISSION. An electronically controlled 6-speed automatic transmission with Tow/Haul mode and auto grade braking is standard on LT, Z71 and Crew Cab WT models with either the 2.5L 4-cylinder engine or the available Duramax 2.8L Turbo-Diesel 4-cylinder engine.8

8-SPEED AUTOMATIC TRANSMISSION. New for 2017, this smooth-shifting transmission is constructed with extensive amounts of aluminum and magnesium to help reduce size and weight. Included on Crew Cab Long Box 2WD and Crew Cab 4x4 models with the 3.6L V6 engine. Available on Extended Cab models.9

PERFORMANCE Colorado Crew Cab Long Box 2 LT Diesel in Cyber Gray Metallic (extra-cost color) with available Luxury Package and dealer-installed 6-in. Chrome Rectangular Step Bars from Chevrolet Accessories.
SAFETY STARTS WITH YOU.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

AVAILABLE SAFETY PACKAGE. This package, available on LT models, includes Lane Departure Warning and Forward Collision Alert. A rear vision camera is standard on all models.

LANE DEPARTURE WARNING. If you unintentionally change lanes without signalling, this available camera-based system sends an alert. The camera, mounted near the interior rear-view mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Colorado is following a detected vehicle too closely.

REAR VISION CAMERA. When the transmission is in Reverse, the standard rear vision camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the centre stack. So it's easier to back up, park or hook up a trailer.

STABILITRACK WITH TRACTION CONTROL. The advanced StabiliTrak® Electronic Stability Control System with rollover mitigation works in conjunction with standard ABS and traction control.

SIX AIRBAGS. Every Colorado offers six standard airbags: Sensors determine how many airbags deploy — including side airbags for the driver and front passenger.

TEEN DRIVER. This new technology helps to encourage and coach safe driving habits in a number of ways, including in-vehicle reports that monitor the frequency of available active safety feature activations, muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

HIGH-STRENGTH STEEL FRAME. The ladder-type frame is made from 83% high-strength steel and ultra-high-strength steel for enhanced occupant protection and reduced mass.

YOU KNOW YOU WANT A SAFE TRUCK.

A comprehensive package of available innovative driver assist technologies use strategically located cameras to help warn you of potential risks on the road — or even in a parking lot.

NOTICE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.
1. ILLUMINATED CHEVROLET BOWTIE. Available in Black or Gold, this bowtie lets you light up the streets in a completely different way.

2. BODY-COLOUR GRILLE. Available accessory grille offers an individualized appearance for your Colorado.

3. BED-MOUNTED SPARE TIRE CARRIER. Designed specifically for Colorado ZR2, this durable carrier lets you move the spare tire from underneath the vehicle, providing easy access and extra clearance when you go off-road.

4. SPORT BAR WITH OFF-ROAD LED TRAIL LIGHTS. Enhance your truck’s appearance and illuminate the trail ahead at the same time with these available accessories. Roll bar lights are intended for off-road use only. Consult owner’s notes before use.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer before delivery to the customer are covered under the applicable portion of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labour, for the longer of the following: a) 12 months/20,000 km (whichever comes first) or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details. Some vehicles are shown with equipment from an independent supplier. GM licensed and Associated Accessories are covered under the accessory-specific manufacturer’s warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

SKI/SNOWBOARD CARRIER. GearOn Cross Rails and Universal Flat Top® Ski/Snowboard Carrier by Thule® available from Chevrolet Accessories, let you load up everything you need for a day on the slopes.
ACCESSORIES

Big Mouth Bike Carrier attachment
Colorado Extended Cab Long Box LT
Bed Extender available from Chevrolet Accessories.

### Specifications

**Duramax 2.8L I-4 Turbo-Diesel**
- **System and airbag suppression**: Driver and passenger.
- **Engine block heater**.
- **Differential**: Automatic locking, rear.
- **Suspension**: Off-Road Package (required for Children), rear seats.

**Torque**
- **369 lb.-ft. @ 2000 rpm**: Includes OnStar and automatic transmission features.
- **191 lb.-ft. @ 4400 rpm**: Includes all-season tires and remote vehicle starter system.

**Exterior**
- **Rear vision camera**.
- **P265/60R18 all-season†** (requires available 3.6L V6 engine and automatic locking rear differential).

**Interior**
- **Driver Information Centre, multi-colour display (includes features listed above)**
- **Cabin air filter**
- **Mirror with extensions**
- **Auto-dimming rear-view mirror**
- **Projector-style halogen headlamps**
- **Heated power side mirrors**
- **Power locks, windows and sliding rear window**
- **Climate control**
- **Automatic headlamps**
- **Automatic wipers**
- **Steering wheel**: Leather-wrapped with radio controls and Driver Shift Control.
- **Power driver and rear-passenger seat adjuster**

**Entertainment**
- **Chevrolet MyLink**: AM/FM stereo with 4.2-in. diagonal colour display.
- **OnStar 4G LTE with Wi-Fi hotspot**: Requires available 3.6L V6 engine and automatic locking rear differential.

**Available Packages**
- **Shoreline Special Edition**: Includes Forward Collision Alert and Lane Departure Warning.

---

**Notes**
- *Includes*: Driver Information Centre, multi-colour display (includes features listed above).
- *Excludes*: Driver Information Centre, multi-colour display (includes features listed above).
- *Includes*: All-season tires and remote vehicle starter system.

---

**Additional Information**
- **SiriusXM**: Requires available 3.6L V6 engine and automatic locking rear differential.
- **OnStar**: Requires available 3.6L V6 engine and automatic locking rear differential.
- **Tires**: Requires available 3.6L V6 engine and automatic locking rear differential.
- **Exterior Mirrors**: Requires available 3.6L V6 engine and automatic locking rear differential.
- **Driver Information Centre**: Multi-colour display (includes features listed above).
- **Additional Information**

---

**Available Packages**
- **Shoreline Special Edition**: Include Forward Collision Alert and Lane Departure Warning.
- **Additional Information**: Requires available 3.6L V6 engine and automatic locking rear differential.

---

**Chevrolet MyLink**: AM/FM stereo with 4.2-in. diagonal colour display.
