2015 GMC SIERRA HD. At GMC, our engineers are never satisfied. That’s precisely why they took the strongest, most powerful Sierra Heavy Duty pickups ever and used them as a starting point. The new 2015 Sierra 2500HD and 3500HD take proven powertrains and the new standard in quiet, comfortable truck interiors, pickup-first technologies and cargo box innovations to produce a premium-duty breed of Professional Grade trucks. It’s just another example of what incredible thinking can help you achieve.
SIERRA 3500 DENALI HD WITH DUAL REAR WHEELS IN ONYX BLACK

shown with available equipment.
A NEW STANDARD HAS QUIETLY BEEN ACHIEVED.

The redesigned cabin in the 2015 Sierra HD combines triple door seals, inlaid doors and other refinements throughout the truck to create our quietest HD pickups ever. Add premium materials, supportive seats and generous storage and you’ve set the new standard in heavy-duty truck interiors. Denali HD takes it a step further with heated and cooled Denali-embossed leather-trimmed front bucket seats, a heated leather-wrapped steering wheel, new soft-touch instrument panel with burnished aluminum trim and contrasting stitching.

POWER-ADJUSTABLE PEDALS ALLOW YOU TO PERSONALIZE YOUR DRIVING POSITION.

ENJOY THE BOSE® PREMIUM 7-SPEAKER AUDIO SYSTEM AND VOICE-ACTIVATED NAVIGATION.¹

GAIN QUICK FINGERTIP ACCESS TO VEHICLE INFORMATION WITH DENALI’S EXCLUSIVE CUSTOMIZABLE DRIVER DISPLAY.

STAY CHARGED WITH A NEW 110-VOLT OUTLET, A 12-VOLT OUTLET AND NOW UP TO SIX USB PORTS.²

¹Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ²Not compatible with all devices.
SIERRA 2500 DENALI HD INTERIOR IN JET BLACK
shown with available equipment.
EASE OF ACCESS DOESN’T TAKE A BACK SEAT.

Setting a design standard for truck interiors means SLE and SLT models surround you with premium, durable materials. It also means that Crew Cabs now offer nearly 2” of additional rear leg room, while new Double Cabs make getting into and out of the rear seat easier in tight places thanks to new forward-hinged rear doors.

HARD WORK ISN’T WITHOUT ITS PLEASURES THANKS TO DAY-LONG COMFORT SEATS.

FOR MAXIMUM FLEXIBILITY AND CONVENIENCE, SIERRA HD OFFERS MOVABLE CUPHOLDERS, A SMARTPHONE HOLDER AND DUAL GLOVE BOXES.

NEW AVAILABLE CENTER FLOOR CONSOLE OFFERS PLENTY OF MOBILE OFFICE SPACE.

REFINED DOOR TRIM PANELS ARE REINFORCED FOR PREMIUM DURABILITY TO STAND UP TO EVERYDAY WEAR AND TEAR.
UP CLOSE AND PERSONAL.

The 2015 Sierra HD’s all-new instrument panel puts controls where they’re most visible—at your fingertips—and information at the sound of your voice, thanks to a new available 8” diagonal Color Touch Radio with IntelliLink1 (a navigation system2 is available as well) that responds to natural-speech voice commands. Sierra HD provides the latest technologies to help you work smarter and more efficiently. From available driver alert safety technologies to Denali’s personalized driver display, you’re surrounded by everything you need to perform your best.

SIERRA HD IS THE FIRST HEAVY-DUTY PICKUP TO OFFER FORWARD COLLISION ALERT AND LANE DEPARTURE WARNING.

HANDS ON THE AVAILABLE ALUMINUM-TRIMMED WHEEL WITH STEERING-WHEEL-MOUNTED CONTROLS.

KNOBS AND BUTTONS ARE LARGER TO ACCOMMODATE GLOVED HANDS, AND GAUGES ARE LED BACK-LIT.

CENTER-MOUNTED SWITCH BANK POSITIONS FUNCTIONAL CONTROLS WITHIN EASY REACH.

1 Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity. 2 Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
MIXES PLEASURE WITH BUSINESS.

Climb into Sierra HD and you’ll find no shortage of supportive comfort, premium and durable materials, some of the industry’s most advanced and personalized technologies and, of course, ample storage for all of your personal gear.

**CUSTOMIZABLE DRIVER DISPLAY** Sierra Denali’s new 8” diagonal color Driver Information Center (DIC) lets you choose from a menu of display themes to select the information you see and how you see it. Steering-wheel-mounted controls provide fingertip access to vehicle functions.

**WELL CONNECTED** Available IntelliLink® is your seamless touch- and voice-activated connection to digital content. From the contacts and music playlists stored in your smartphone to a selection of on-screen apps like Pandora®, the screen provides instant access to the information and entertainment you want. It’s also available with a voice-activated Navigation System.

**SAFEGUARDS** The 2015 Sierra HD is the first heavy-duty full-size pickup to offer all three of these advanced safety features: Forward Collision Alert, Lane Departure Warning and the Safety Alert Driver Seat. Together, they help alert you to potential hazards on the road.
ENERGIZED Depending on the model you choose, a convenient power supply—up to six USB ports, four auxiliary power outlets and a new available 110-volt outlet—keeps first- and second-row passengers connected and powered up.

COMMAND CENTRAL Access to controls and power sources is centrally located and within easy reach of the driver's seat. This array of switches and auxiliary controls puts important functions at your fingertips.

CLEAR VISION The available power-sliding rear window now offers a new defrost feature to improve visibility.

CENTER CONSOLE STORAGE An available center console storage compartment is designed to double as a file cabinet, so you'll have a place to keep hanging files, a laptop and other mobile devices.

HANDS-ON Keep your eyes on the road while activating available Bluetooth® phone functions. Available steering-wheel-mounted controls also allow you to play audio, change songs, set the cruise control and activate the available heated steering wheel.

UPPER AND LOWER GLOVE BOXES New twin glove boxes provide you and your passengers with personal storage areas.

EASY ACCESS Sierra HD now features improved rear-seat comfort and access by adding nearly 2" of leg room on Crew Cabs. Getting to the rear seat of the Double Cab is also easier in tight places, with new forward-hinged rear doors. On both models, the rear doors are bigger for easy entry to and exit from the second row.

---

Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. Not compatible with all devices. Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.
PREMIUM DETAILS. PREMIUM DUTY.

The Sierra 3500 Denali HD is the height of Professional Grade engineering, design and capability. For 2015, it adds a new purposeful design to help reduce wind noise for its quiet cabin, while offering the most innovative cargo box in its class thanks to smart features that let you customize the way you secure cargo. It also offers a maximum payload of over 6000 lbs\(^1\) or maximum trailering of up to 22,900 lbs\(^2\) with the available Duramax 6.6L V-8 Turbo Diesel.

A COMMANDING PRESENCE IS ACHIEVED WITH THE ICONIC DENALI GRILLE.

NEW DENALI 6” CHROME ASSIST STEPS SERVE AESTHETIC AND PRACTICAL FUNCTIONS.

VERTICAL CAMPER-STYLE MIRRORS HELP WHEN TRAILERING A WIDE LOAD.

SIERRA OFFERS THE MOST INNOVATIVE CARGO BOX IN ITS CLASS TO HELP TAKE SOME OF THE WORK OUT OF WORK.

---

\(^1\)Requires 3500HD Crew Cab DRW 2WD with 6.0L V-8 engine. Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.

\(^2\)Requires 3500HD Crew Cab DRW 2WD with Duramax 6.6L V-8 Turbo Diesel. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.
SIERRA 3500 DENALI HD CREW CAB WITH DUAL REAR WHEELS IN ONYX BLACK
shown with available equipment.
SIERRA 2500HD CREW CAB SLT IN ONYX BLACK
shown with available equipment.
The first thing you notice about the Sierra 2500HD SLT is its new bold, sculpted design that looks smart and works efficiently. The new three-dimensional grille captures air to help cool the engine, while the rest flows smoothly around the truck. It also works hard with a maximum payload of over 3500 lbs\(^1\) or, with the available Duramax 6.6L V-8 Turbo Diesel, a maximum trailering capacity of up to 14,500 lbs\(^2\) with a conventional ball hitch, or up to 17,600 lbs\(^3\) with a fifth-wheel or gooseneck hitch.

\(^1\)Requires 2500HD Double Cab Standard Box 2WD with 6.0L V-8 engine. Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.

\(^2\)Requires 2500HD Crew Cab Long Box 4WD with available Duramax 6.6L V-8 Turbo Diesel engine. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

\(^3\)Requires 2500HD Double Cab Standard Box 2WD with available Duramax 6.6L V-8 Turbo Diesel engine. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.
FORMED FOR FUNCTION  The wheel arch moldings are tightly integrated into the fenders to help protect the finish against chipping from stones and debris.

ENGINEERED AIRFLOW  In addition to triple door seals and thicker windshield glass, Sierra’s sculpted styling helps reduce wind noise to create a quieter cabin.

SIGNATURE LIGHTING  In a GMC pickup first, Sierra introduces new projector-beam headlamps fully integrated into the grille surround. The lamps are further enhanced by available LED signature lighting (standard on SLT and Denali).

THINKING INSIDE AND OUTSIDE THE BOX.

Let’s get to work. To help you do just that, the new Sierra HD offers aerodynamic styling to deliver a quiet cabin as well as offering the most innovative cargo box in its class. The highlight of these Professional Grade innovations is the widely acclaimed CornerStep rear bumper.
CORNERSTEP REAR BUMPER  Integrated into the corners, these new bumper steps—which no other competitor offers—make it easy to access the cargo box. The deep tread of the step is designed to accommodate large boots. On single-rear-wheel models, new hand assists built into the top of the side rails help give you a boost into the bed.

LED UNDER-RAIL LIGHTS  Available LED lights are positioned under each side rail to make it easier to load or unload the box at night, or when it is enclosed by a tonneau cover.

EZ-LIFT AND LOWER TAILGATE  Accessing the cargo box is now easier with the new available EZ-Lift and Lower Tailgate.

UPPER TIE-DOWNS  Four new load-bearing upper tie-down hooks are standard. Rated at 250 lbs' each, they can be repositioned in several places around the box depending on the cargo being secured.

ROLLED, NOT STAMPED  Unlike the stamped-steel approach of the other guys, we use a roll-formed process for Sierra HD's cargo bed for the same reason it's used on submarine hulls: it allows us to use higher-grade steel that's stronger, lighter and more durable.

SPRAY-ON BEDLINER  To provide a permanent, non-skid surface, the available (standard on 2500 Denali HD) black liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down hooks.

1* Cargo and load capacity limited by weight and distribution.
**DURAMAX:**

**POWER. DEPENDABILITY. PROVEN A MILLION TIMES OVER.**

The new Sierra HD gets its heavy-duty power from proven sources, including the available Duramax 6.6L V-8 Turbo Diesel mated to the Allison® 6-speed automatic transmission. You’ll find over 1 million Duramax diesels with Allison transmissions on the road today with over 100 billion real-world miles of experience. With 765 lb-ft of torque under your right foot, it delivers Professional Grade performance and a maximum highway range of up to 650 miles on a single fill-up.¹ If you prefer your power gasoline-fueled, Sierra HD comes standard with the force and efficiency of our 360-hp Vortec 6.0L V-8.

¹Based on GM testing and fuel-tank capacity. Your range may be less.
VORTEC:
GASOLINE OR NATURAL GAS?
YES, PLEASE.

The new 2015 Sierra HD comes standard with the Vortec 6.0L V-8, an uncompromised source of power. Developed for heavy-duty performance, it’s paired with a 6-speed heavy-duty automatic transmission to deliver a maximum fifth-wheel towing capacity of up to 14,800 lbs.¹ A bi-fuel version of the Vortec 6.0L that seamlessly switches between gasoline and Compressed Natural Gas (CNG) is available on single-rear-wheel HD models and can provide a driving range of up to 650 miles.² See your dealer for details and model availability.

VARIABLE VALVE TIMING DELIVERS LOW-SPEED RESPONSIVENESS AND HIGH-SPEED POWER FOR PASSING OR TRAILERING.

ELECTRONIC THROTTLE CONTROL DELIVERS INSTANTANEOUS ACCELERATION.

MOVE THROUGH THE GEARS LIKE A MANUAL WITH THE CONVENIENCE OF AN AUTOMATIC, THANKS TO DRIVER SHIFT CONTROL.

THE GASOLINE VORTEC 6.0L V-8 IS ALSO CAPABLE OF RUNNING ON E85 ETHANOL.³

¹Requires 2500HD Regular Cab DRW 2WD with Vortec 6.0L V-8 gasoline engine and 4.10 rear axle ratio. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option[s] necessary to achieve the ratings, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

²Estimated range based on GM testing and maximum fuel tank capacity. Your range may be less. E85 FlexFuel capability is not available in AZ, CA, CT, DE, MA, MD, MS, NJ, NV, RI, PA, VT and WA. E85 is a combination of 85% ethanol and 15% gasoline. Go to afdc.energy.gov/afdc/fuels to see if there is an E85 station near you.
MORE MUSCLE. LESS FAT.

Weight robs a truck of its power and efficiency. In Sierra HD, the strategic use of high-strength steels and other premium materials enabled engineers to create a new HD that is stronger and more capable than previous models.

FULLY BOXED FRAME The HD frame is engineered using high-strength steel for the fully boxed frame rails. The front frame segments are hydroformed to minimize weight without sacrificing strength, so Sierra HD has the strength and stiffness to tackle the toughest heavy-duty demands.

EATON® HEAVY-DUTY DIFFERENTIAL No other competitor in its class offers a fully automatic locking rear differential for on- and off-road use.
HIGH-STRENGTH STEEL
To create a quiet cab, nearly two-thirds of the HD's cab structure is made from high-strength steels, including the pillars, roof rails and rocker panels. It's a fortress of strength that rests on hydraulic body mounts that enhance the smooth, comfortable ride.

INDEPENDENT FRONT SUSPENSION
For ride comfort without sacrificing strength, Sierra HD has an independent front suspension designed specifically for the constant punishment of heavy-duty use. With the available Snow Plow Prep Package, Sierra HD achieves a Gross Front Axle Weight Rating of up to 6000 lbs. This torsion-bar suspension design allows you to make seasonal ride-height adjustments in minutes with a single wrench.

MULTILEAF REAR SPRINGS
Mounted to the rear frame are 3"-wide leaf springs that help achieve a best-in-class maximum payload rating of up to 7374 lbs.

POWERFUL BRAKING
Four-wheel, four-channel, antilock disc brakes (ABS) on all Sierra HD models help provide straight, more controlled stops by preventing wheel lock-up in most road conditions.

HILL DESCENT CONTROL
Activated by pushing a button within easy reach on the instrument panel, Hill Descent Control is included on models with the Z71 Off-Road Suspension Package. It uses antilock braking to provide a smooth and controlled descent in rough terrain without having to touch the brake pedal.

---

1 Capabilities and weight ratings are dependent upon model, engine, transmission and GVWR combinations. See your GMC dealer for details.
2 Requires 3500HD Regular Cab DRW 2WD with 6.0L V-8 engine. Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.
A PULLING FORCE.

GMC Sierra HD is engineered to provide Professional Grade trailering capability as well as truck/trailer features to keep you comfortably in control. Whether you're headed out for work or recreation, Sierra HD offers a wide range of trailering capacities to meet your demands. Complete trailering ratings to help you make an informed purchase decision are listed on page 33.

TRAILERING SUPREMACY Select models offer an available class-leading 19,600 lbs¹ of conventional towing. And depending on model and equipment, 3500HD can tow a maximum of 23,200 lbs¹ with a fifth-wheel hitch.

¹Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.
**DIESEL EXHAUST BRAKE SYSTEM** The available Exhaust Brake System works with the Allison transmission’s Tow/Haul mode and Automatic Grade Braking features to reduce the amount of conventional braking needed while towing or traveling downhill.

**TRAILER SWAY CONTROL** Keep both Sierra HD and your trailer heading in the same direction, automatically. Sensors help detect a swaying trailer, and the system helps bring it back in line by applying both the truck’s and the trailer’s brakes (when properly equipped).

**TRAILER BRAKE CONTROLLER** For control and easy monitoring of your trailer brakes, Sierra HD offers an available integrated trailer brake controller. It’s located high and in easy reach of the steering wheel for quick adjustments and is included on Denali and 3500 models.

**REAR VISION CAMERA SYSTEM** The center screen serves as your monitor for the available Rear Vision Camera System. Its dynamic grid lines help when backing up or hitching a trailer.

**TOW/HAUL MODE** To accelerate when trailering or hauling heavy loads, Tow/Haul mode raises transmission upshift points. It also raises downshift points using engine compression to help slow your Sierra HD instead of merely braking.

**HILL START ASSIST** To give you extra time to switch from the brake pedal to the accelerator without rolling back when on an incline, Hill Start Assist holds the brakes momentarily or until you press the accelerator.
WE’VE PLACED YOU AND THE COMPETITION ON ALERT.

The new Sierra HD raises the bar for pickup truck safety. Unlike its competitors, Sierra offers the new Driver Alert Package. It includes Forward Collision Alert, Lane Departure Warning and the Safety Alert Driver Seat. They provide a visual alert in the gauge cluster and allow you to choose from additional audible warnings or the Safety Alert Driver Seat, which uses vibrations to warn you.
SIX AVAILABLE AIR BAGS Sierra HD offers up to six air bags\(^1\) (standard on 2500 and select 3500 models) including single-stage frontal air bags, head-curtain side-impact air bags with rollover protection and seat-mounted side-impact air bags.

FORWARD COLLISION ALERT To help prevent frontal crashes, this available technology alerts drivers when they are closing in on a vehicle ahead too quickly. The warning gives the driver critical additional time to react and potentially avoid a crash.

SAFETY ALERT DRIVER SEAT The available Safety Alert Driver Seat helps warn the driver of potential traffic danger using directional vibration pulses from the seat cushion. Works with Forward Collision Alert, Lane Departure Warning and Front and Rear Park Assist.

LANE DEPARTURE WARNING This available technology alerts the driver when Sierra HD drifts over a lane line without signaling while traveling at least 35 mph.

\(^1\)A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for the child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.
GMC PRO GRADE PROTECTION.
THE INDUSTRY’S BEST PICKUP COVERAGE.

Pro Grade Protection is standard on every 2015 Sierra HD. From scheduled maintenance to protecting your entire vehicle, you can drive with the knowledge that your operating costs have been reduced.

2-YEAR/24,000-MILE RECOMMENDED SCHEDULED MAINTENANCE₁, INCLUDING DIESEL EXHAUST FLUID

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²

5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY²
THERE WHEN YOU NEED US.

Standard for 6 months on most models, the OnStar Directions & Connections Plan lets you speak to a live OnStar Advisor just by pressing the blue OnStar button in your vehicle.

**AUTOMATIC CRASH RESPONSE** In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can’t respond.

**CRISIS ASSIST** During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

**EMERGENCY SERVICES** One push of the red emergency button gives you a priority connection to an Advisor who can direct emergency service providers to your exact location.

**ROADSIDE ASSISTANCE** If you need an emergency tow, lockout service or help with a flat tire, just push the blue OnStar button and an Advisor can direct help to your exact location—it’s all a part of your OnStar subscription.

**SECURITY FEATURES** Remote Door Unlock, Remote Horn and Lights and Stolen Vehicle Assistance provide help when you need it.

**HANDS-FREE CALLING WITH VOICE COMMAND** Available OnStar Hands-Free Calling is a built-in service in case your cell phone is unavailable, out of range or has a low battery. Just push a button and say the number to make a call.

**TURN-BY-TURN NAVIGATION** Push your blue OnStar button and tell the Advisor where you want to go, and directions will be downloaded to your Sierra HD.

**ONSTAR eNAV WITH MAPQUEST.COM** Get a head start on a trip by checking out your destination on mapquest.com and then clicking the “Send” link. Directions will be sent to your Sierra HD.

**DESTINATION DOWNLOAD** With the optional Navigation System, an Advisor can download directions to your Sierra HD’s navigation screen.

**ONSTAR REMOTELINK KEY FOB SERVICES** OnStar RemoteLink Key Fob Services are included for 5 years on OnStar-equipped 2014 and newer vehicles. Download the app and use RemoteLink services during the 6-month trial period and any consecutive periods with an OnStar plan. Includes remote door unlock and lock, remote start and stop and remote horn and lights.

---

1. Covers only scheduled oil changes with filter, four-wheel or single-rear-wheel tire rotations and 27-point inspections, according to your new vehicle’s recommended maintenance schedule, for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.

2. Whichever comes first. See dealer for limited warranty details.

3. Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Services vary by model and conditions.

4. Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

5. Roadside service provided by Allstate Roadside Services.

6. Services vary by model and conditions.

7. OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only. Visit onstar.com for coverage map, details and system limitations.

8. Available on select Apple® and Android™ devices. Services vary by device, vehicle and conditions. Requires an active OnStar subscription, standard for 6 months. Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel RemoteLink Key Fob Services, or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details.

9. Requires factory-installed and enabled remote start.

Information Provided by: DEALER PROCESS
TAKE YOUR HD PERSONALLY.

Engineered to the same standards as your Sierra HD, GMC Accessories range from functional enhancements like assist steps and bed protection to a stylish array of accents. Go ahead, equip your Sierra HD exactly the way you want.

20" WHEELS To lend a personal style to your Sierra HD, choose from these distinctive-looking aluminum or polished aluminum wheels.

ASSIST STEPS Make it easier to get in and out of your truck with stylish assist steps. Crafted from rust-resistant stainless steel, they are available in either chrome or black powder coat and in 6" oval or 3" round styles.

TONNEAU COVERS The soft cover shields cargo and easily rolls up to allow full access to the bed and is constructed with integrated crossbows. The hard cover is tri-folding and adds strong content protection and easy access to the cargo box.

STATIONARY TOOLBOX Diamond-patterned toolbox features a cover with dual gas shocks for smooth opening and closing, and it features the GMC logo.

POLISHED EXHAUST TIPS These chrome exhaust tips add a bold appearance and feature the GMC logo.

CHROME RECOVERY HOOKS Add functionality and enhance the appearance of your Sierra HD with chrome recovery hooks. These front hooks are for vehicle recovery only and cannot be used for towing. For more information, see your GMC Owner’s Manual.

BED LINERS These molded plastic liners add a layer of durable protection and are custom designed for your specific bed size.

BED PROTECTION PACKAGE Shield the finish of the bed with a bed mat, tailgate liner and soft folding tonneau cover.

CHROME PACKAGE Add flare to your Sierra HD with 4" round chrome tubular assist steps, a polished exhaust tip and chrome recovery hooks.

INTERIOR PROTECTION PACKAGE Protect the cabin and the bed of your Sierra HD with all-weather floor mats and a rubber bed mat.

---
\(^{a}\)Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

\(^{b}\)Gross Combined Weight Rating. When properly equipped, includes weight of the vehicle and trailer combination, including the weight of driver, passengers, fuel, optional equipment and cargo in the vehicle and trailer.

### MECHANICAL

#### Air Cleaner
- High capacity

#### Alternator
- 150 amps, included with the Snow Plow Prep Package when Vortec 6.0L V-8 FlexFuel with SFI is ordered. Requires Duramax 6.6L V-8 Turbo Diesel engine.

#### 220-Volt Power Outlet
- In-cabin, 3-prong, household-style outlet. Included and only available with Convenience Package on Sierra trim. On SLE, included and only available with the SLE Preferred Package.

#### AUXILIARY EXTERNAL TRANSMISSION OIL COOLER

#### Battery
- Heavy-duty maintenance-free with rundown protection and retained accessory power

#### AUXILIARY ENGINE OIL COOLER

#### AUXILIARY EXTERIOR ENGINE OIL COOLER

#### 720 Cold Cranking Amps (CCA)
- Requires Vortec 6.0L V-8 VVT FlexFuel with SFI engine.

#### 3.73 Ratio
- Requires Duramax 6.6L V-8 Turbo Diesel engine.

#### Rear Axle
- Electronic shift rotary dial controls 2-speed and 2.72-to-1 low-range (4WD models only)

#### Transfer Case
- Fold-forward console with 3-speed with 2.72-to-1-low range, floor-mounted shifter (4WD models only)

#### Transfer Wiring Provision
- For camper, fifth-wheel and gooseneck trailer. Includes additional 7-way wiring harness routed to front of pick-up box. Not available with Vortec 6.0L V-8 FlexFuel engine.

#### Rear Axle
- 410 Ratio. Standard and only available on Vortec 6.0L V-8 or 6.0L V-8 Bi-Fuel CNG engine.

#### Instrumentation and Controls

#### Driver Information Center
- With 4.2" diagonal monochromatic display. Provides warning messages, odometer, trip odometer and basic vehicle information.

#### 8" Color Customizable Display
- On SLE models, included and only available with SLE Convenience Package. Not available on Regular Cab.

#### Tilt-Wheel and Telescopic Manual Operation
- For driver and front passenger seat.

SiriusXM™ and all related marks and logos are trademarks of SiriusXM Radio, Inc. 4. Map coverage available in the United States, Puerto Rico and Canada. 5. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Subscription Service Agreement required. Call 1-888-4ONSTAR (466-7827) or visit onstar.com for OnStar’s Terms and Conditions Privacy Policy. Retailer and OnStar availability.
THE INDUSTRY’S BEST PICKUP COVERAGE

For 2015, Sierra HD comes with the Pro Grade Protection Plan, which includes 2-year/24,000-mile recommended scheduled maintenance,* including diesel exhaust fluid, 3-year/36,000-mile bumper-to-bumper limited warranty/ and 5-year/100,000-mile powertrain limited warranty,2 Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Sierra HD to the 24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump=starts and more for 5 years or 100,000 miles (whichever comes first).

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It’s easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR

OnStar is a core asset of your Sierra HD. Benefitting from more than a decade of innovative development, it is both a highly advanced technology—fully integrated within the vehicle—and a warm human service. Standard on most Sierra HD models are 6 months of OnStar Directions & Connections Plan, including the convenience of available Hands-Free Calling1 It also offers Automatic Crash Response, Stolen Vehicle Assistance, link to Emergency Services, Roadside Assistance, Remote Door Unlock, OnStar Vehicle Diagnostics, Crisis Assist and Remote Horn and Lights. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations. Services vary with conditions.

SIRIUSXM SATELLITE RADIO

SirusXM Satellite Radio4 is standard on most Sierra HD models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

GMC Certified Service To help your Sierra HD live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Sierra HD, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Large Pickup segment.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Sierra HD on our Web site: gm.com. More photos and information, hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle [or chassis] as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations [or any effect of the alterations] to any of the parts, components, systems or assemblies installed by GM, General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY All GMC Sierra HD models come with a fully transferable, no- deductible 5-year/100,000-mile [whichever comes first] Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles [whichever comes first]. Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles [whichever comes first]. Sierra HD also comes with a 2-year/24,000-mile [whichever comes first] recommended maintenance schedule plan. See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM [1-800-323-9935] GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

GMCARDMEMBERServices.com Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible new GM vehicle. With three cards to choose from, you’re sure to find one that suits you.

* Covers only scheduled oil changes with filter, four-wheel or single-rear-wheel tire rotations and 27-point inspections, according to your new vehicle’s recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.

† You must exchange your current OnStar Plans for the new OnStar Directions & Connections Plan when you activate the plan. Other fees and taxes will apply. See Onstar.com for coverage map, details and system limitations. OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only.

‡ If you subscribe after your trial period, subscriptions are continuous until you call Sirius XM to cancel. See Sirius XM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/NavTraffic. XM satellite service is available only to those in the 48 contiguous USA and DC.
