For the range of vehicles that connect to devices, please see gmc.com/learn to find out which phones are compatible with the vehicle. Not compatible with all devices. Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay® is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. Vehicle user interface is a product of Google® and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android™-compatible smartphone running Android 5.0 Lollipop or higher. Android Auto is a trademark of Google LLC. Map coverage available in the United States, Puerto Rico and Canada.
Cargo and load capacity limited by weight and distribution.

Terrain comfortably accommodates up to five people and easily allows you to maximize cargo space. A fold-flat front-passenger seat and 60/40 split-folding second-row seats allow you to carry objects up to 8 feet long. To access all of this space, Terrain offers an available hands-free power-programmable liftgate.

Because life can be 8 feet long.
Requires available Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

Terrain offers you a choice of three turbocharged engines to provide a performance personality to match your needs. The 1.5L offers efficiency without sacrifice; the available 1.6L offers diesel low-end torque and efficiency; and the available 2.0L produces strong acceleration and pulling power with 3,500 lbs1 of max trailering capacity. Transferring all of this performance to the road is the 9-speed automatic transmission on the 1.5L and 2.0L gas-engine models and a 6-speed automatic transmission on the 1.6L Turbo Diesel. In fact, Terrain is the only one in its class to offer a standard turbocharged engine combined with a 9-speed transmission.

TURBOCHARGE YOUR DRIVE

1.5L 170 HP—TURBO STANDARD SL/SLE/SLT

1.6L 240 LB-FT OF TORQUE—TURBO DIESEL AVAILABLE SLE/SLT

2.0L 252 HP—TURBO STANDARD DENALI; AVAILABLE SLE/SLT
Terrain offers a Traction Select system that allows you to make real-time adjustments for ever-changing driving situations. Front-Wheel-Drive models offer Normal, Snow and available Tow/Haul modes, while all-wheel drive models offer Off-Road and available Tow/Haul modes and an AWD Disconnect mode engineered to optimize efficiency.
Terrain offers available driver-assist and safety technologies to heighten your awareness of the surrounding environment. In fact, no other competitor in its class offers a Safety Alert Seat. It alerts you to potential traffic danger using directional vibration pulses within the seat cushion.

IMPORTANT WORDS ABOUT THIS CATALOG

GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

FLEET ORDERS

Some standard content may be deleted on fleet orders. See dealer for details.

TRAILERING AND OFF-ROAD DRIVING INFORMATION

Please go to gmc.com and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY

Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner’s Manual and the child seat instructions for more safety information.

ADDITIONAL NOTES

To help your Terrain live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Terrain, GM-trained technicians have the expertise to help care for it.

ONSTAR AND GMC CONNECTED SERVICES

The features of OnStar and GMC Connected Services require a paid connected vehicle services plan or trial, connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. For details, see your Owner’s Manual and the Owner’s Guide. Effective May 1, 2018, available GMC Connected Services have changed significantly. While many of the different services are free for limited periods, others require a paid connected vehicle services plan or trial. See the Owner’s Manual for more information.

GM CERTIFIED SERVICE

Every 2019 GMC Terrain comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for up to 6 years/100,000 miles (whichever comes first; see dealer for details).

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, systems, components or assemblies installed by such employers.
