Lots of space. A world of possibilities. Let’s start exploring together.

The 2016 Toyota Prius v is built for the family that’s always discovering new things. Its sleek, aerodynamic shape has the style you love and the versatility you crave. Inside you’ll find tech like the Entune™ Audio system, plus 34.3 cu. ft. of cargo space, so you can carry the essentials you need for a fun-filled journey. And with its proven Hybrid Synergy Drive®, Prius v has an EPA-estimated 42 mpg combined, so you can focus more on finding new adventures, not gas stations. The future is just around the corner, so let’s bring everyone along for the ride. Let’s go places.

1. See footnote 34 in Disclosures section. 2. See footnote 35 in Disclosures section.
Let’s make the next family trip bigger than ever.

“Let’s get the family together, pack the paddles, load the kayak and explore the coastline like never before.”

Prius v Five shown in Toasted Walnut Pearl with available Advanced Technology Package. Cargo and load capacity limited by weight and distribution.
Stylish details. Thoughtful design. It’s a great place to plan the day’s activities.

Come on in and get comfortable: Prius v is ready for your next journey. Inside, we’ve created a space as inviting as your family room, so you’ll never want the road trip to end. Prius v has available SofTex®-trimmed seats with power lumbar support for the driver, and rear seats that slide and recline for advanced comfort. Smaller, integrated storage compartments in the rear cargo area help keep small items within reach, while an available Panoramic View Moonroof helps everyone soak in the sun, making this hybrid the perfect family hangout.

8-WAY POWER-ADJUSTABLE DRIVER’S SEAT
With Prius v, it’s easy to find your comfort zone. The driver’s seat offers an available 8-way power adjustment with power lumbar support.

SLIDING/RECLINING REAR SEATS*
The rear seats in Prius v offer an array of seating and cargo configurations. The plush upholstery and extensive rear-seat leg room will make passengers in back feel like top priority. The seats not only slide forward and backward, but also recline for optimal comfort.

PANORAMIC VIEW MOONROOF
Prius v offers you two windows to the world above with its available Panoramic View Moonroof. It features power shades that operate simultaneously and give every occupant an uplifting perspective.

*Do not allow passengers to sit in a seat that has been fully or severely reclined while driving. This feature is intended for use only when the vehicle is parked. While the vehicle is being driven, all vehicle occupants should have the seatback upright, sit well back in the seat and properly wear the seatbelts provided. In the event of a collision, the more the seat is reclined, the greater the risk of death or personal injury. See Owner’s Manual for additional information.
Prius v Five interior shown in Black SofTex® with available Advanced Technology Package.
For those who like to do it all, your ride has arrived.

With ample room for heads, legs and everything in between, Prius v helps everyone feel like they’re rolling in first-class comfort. There’s plenty of room out back too. A clever under-floor storage system lets you securely stash your smaller items so the big stuff can fit with ease. And if you need to carry even bigger things, the rear seats fold flat, helping you carry up to 67.3 cu. ft. of gear, supplies and anything else you might need.¹

SPLIT REAR SEATS
You’ve got lots of gear, and so do your friends. Prius v is here to help with a wide array of seating and cargo configurations, so you’ll be able to easily access your stuff in the back. Now, that’s smart seating.

REAR-SEAT CARGO TRAY
In addition to its cavernous cargo area, Prius v offers a wealth of smaller storage compartments for items like gloves, a flashlight or even a first aid kit.

CARGO SPACE
You’ve got multiple ways to carry things. Pop open the rear hatch-style door, and you’ll unveil a full 34.3 cu. ft. of cargo space! Now the term “fill ‘er up” can refer to all your gear.

¹ See footnote 34 in Disclosures section.
Easy. Helpful. Efficient. The high-tech life is good.

Spend a minute behind the wheel and you’ll soon feel right at home. Prius v’s advanced steering wheel is ready for many eco-sensitive miles of driving and features integrated controls for your entertainment, Bluetooth® connectivity and more. And with its easy-to-read information displays and intuitive, high-tech controls, Prius v opens up a world of possibilities.

**STANDARD BACKUP CAMERA**
When you’re backing up, the area behind Prius v that’s visible to the camera is displayed on the touch-screen of the Entune™ Audio system.

**ENERGY MONITOR**
The energy monitor screen indicates the operation of the hybrid system in real time. Hybrid Synergy Drive® employs the most efficient source of power possible.

**AVAILABLE TOUCH-SCREEN NAVIGATION**
Setting your course is a few simple touches away. Just use the touch-screen controls to find your destination on the map, and a voice prompt guides your every turn. Need an ATM or gas station? Just ask, and the system will help find what you’re looking for and guide you to it.

---

1. See footnote 7 in Disclosures section. 2. See footnote 8 in Disclosures section. 3. See footnote 9 in Disclosures section.
With Prius v’s steering wheel controls, your music and more are right at your fingertips — now you can be in total command.
Hybrid tech that allows you to save and still have fun.

This is reliability you can trust. Prius v’s innovative Hybrid Synergy Drive® has proven itself mile after eco-sensitive mile, year after year. And just as impressive, over 95% of all Toyota Prius models sold in the last 10 years are still on the road.1 With an EPA-estimated 42 mpg combined,2 Prius v continues to offer the great gas mileage you love. Better start planning a few extra road trips.

EV/ECO/POWER MODES
Prius v offers different modes for different types of driving. ECO Mode helps maximize fuel economy. EV Mode3 runs solely on battery power for up to one-half mile under certain conditions. And POWER Mode increases gas pedal response for enhanced acceleration.

HYBRID SYSTEM INDICATOR
The informative Hybrid System Indicator can show you how efficiently you’re driving and help you learn how to get the most out of your vehicle’s remarkable fuel efficiency.

TRIP INFORMATION DISPLAY
Keep an eye on your gas mileage and get an instantaneous readout of your current and average mpg with Prius v’s fuel-usage screen. With this handy information, you can adjust your driving habits as needed to help maximize Prius v’s fuel efficiency.

1. See footnote 38 in Disclosures section. 2. See footnote 35 in Disclosures section. 3. See footnotes 15 and 16 in Disclosures section.
From initial acceleration to low speeds, Prius v is designed not to use fuel, because under certain conditions it’s powered solely by the high-torque electric motor.

During heavy acceleration, the gasoline engine is used while the battery supplies increased drive power to the electric motor.

When slowing, the gasoline engine shuts off and the electric motor converts momentum into electricity, storing it in the hybrid battery.

When accelerating lightly, Prius v uses its electric motor along with the gasoline engine to help with greater fuel efficiency. When Prius v comes to a stop, its gasoline engine shuts off to help conserve fuel and reduce smog-forming emissions.

**ELECTRIC MOTOR**
Prius v is a full series-parallel hybrid that uses a separate electric motor and generator.

**GENERATOR**
Unlike a mild hybrid, Prius v can generate electricity even when the electric motor is helping propel the vehicle.

**GASOLINE ENGINE**
The series-parallel Hybrid Synergy Drive® helps the gasoline engine deliver both power and fuel efficiency.
When it comes to entertainment and safety, you’ve got options.

Prius v has the cutting-edge tech to back up its futuristic looks. Its available Dynamic Radar Cruise Control (DRCC)\(^1\) system automatically adjusts vehicle speed to help maintain a preset distance between you and the vehicle traveling directly in front of you. Features like the available Entune\(^\text{®} \text{App Suite}\)\(^2\) help keep you and your family connected to your music, entertainment and more. And when equipped with the available Entune\(^\text{™} \text{Premium JBL\textsuperscript{®} Audio with Integrated Navigation}\)\(^3\) and App Suite, you’ll have the perfect soundtrack, no matter what journey you’re on.

**AVAILABLE ENTUNE\(^\text{®} \text{APP SUITE}\)**

With Prius v’s available Entune\(^\text{®} \text{App Suite}, you can access Pandora\(^\text{™} \text{ and iHeartRadio for music, make restaurant reservations with OpenTable\(^\text{®} \text{, and buy movie tickets with MovieTickets.com.}}\)

**SINGLE LED HEADLIGHTS**

Available Single LED (light-emitting diode) projector low- and high-beam headlights with auto on/off and an LED accent light produce a clean white light, offer extremely long life and require 20 to 30 percent less energy than traditional headlights.

**SAFETY CONNECT\(^\text{®} \text{5**}

Via Toyota’s 24/7 call center, available Safety Connect\(^\text{®} \text{ offers subscribers helpful features such as Emergency Assistance, Stolen Vehicle Locator, Roadside Assistance and Automatic Collision Notification.**

---

1. See footnote 14 in Disclosures section. 2. See footnote 10 in Disclosures section. 3. See footnote 9 in Disclosures section. 4. See footnote 13 in Disclosures section. 5. See footnote 26 in Disclosures section.
Prius v Five shown in Toasted Walnut Pearl with available Advanced Technology Package.
A range of technologies to help you drive more confidently.

Prius v features a suite of active and passive safety features. Its available Lane Departure Alert (LDA)\(^1\) can help “see” the visible lines in the road, giving an audible alert should it think you’re venturing out of your lane. An available Pre-Collision System (PCS)\(^2\) employs the radar to help determine if a frontal collision is unavoidable, and in the event that the driver does not respond to the audible warning, automatically applies the brakes and retracts the front seatbelts to help prepare for such a scenario. And with the standard Star Safety System\(^\text{™}3\) — which includes Enhanced Vehicle Stability Control (VSC)\(^3\), Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)\(^4\) and Smart Stop Technology\(^\text{®}5\) — you’ve got advanced technologies to help provide you with more protection and control.

**SEVEN AIRBAGS\(^6\)**

Prius v comes standard with seven airbags, including both driver and front passenger airbags and a knee airbag to further enhance the driver’s protection.

**LATCH**

LATCH (Lower Anchors and Tethers for CHildren) helps protect the smaller members of your family. LATCH includes low-mounted anchors and tethers on each outboard rear seat.

**WHIPLASH-INJURY-INGLEERING (WIL)**\(^7\) **FRONT SEATS**

In certain rear-end collisions, WIL seatbacks are engineered to yield in a controlled fashion, reducing the motion differential between head and torso, and helping minimize injury.

Wheels

- 16-in. 10-spoke alloy wheels with full wheel covers
- 17-in. 10-spoke alloy wheels

*Not all colors and trims available on all model grades. See dealer for details. **Extra-cost color.
Prius v Models

**TWO**

**Exterior Features**
- Projector-beam halogen headlights with auto-off feature
- LED tail and stop lights
- Heated power outside mirrors with folding feature
- 16-in. 10-spoke alloy wheels with full wheel covers with P205/60R16 tires
- Daytime Running Lights (DRL)

**Interior Features**
- Single-dial automatic climate control with dust and pollen filtration mode
- Integrated backup camera
- Fabric-trimmed front seats; 6-way adjustable driver’s seat; 4-way adjustable fold-flat front passenger seat
- Tilt/telescopic steering wheel with audio, climate and Bluetooth® hands-free phone controls
- Digital instrumentation with speedometer, fuel gauge, odometer, tripmeters, Hybrid System Indicator, hybrid battery state-of-charge indicator, instant/average fuel economy, distance to empty, shift-position indicator and ECO/POWER Mode indicators
- 60/40 split, sliding, reclining fold-down rear seats
- Smart Key System® on driver’s door with Push Button Start and remote illuminated entry
- Power windows with auto up/down
- Power door locks
- SofTex® center console with armrest and storage compartment
- Cargo area under-floor storage, umbrella holder and side panel storage
- Cargo area tonneau cover
- One front center console and one cargo area 12V auxiliary power outlet
- Rear dome light and cargo area light
- Three front and two rear cup holders; two front and two rear bottle holders
- Cruise control

**THREE**

**Exterior Features**
- Projector-beam halogen headlights with auto on/off feature

**Interior Features**
- Single-dial automatic climate control with dust and pollen filtration mode
- Integrated backup camera
- Fabric-trimmed front seats; 8-way power-adjustable driver’s seat with power lumbar support; 4-way adjustable fold-flat front passenger seat
- SofTex®-trimmed tilt/telescopic steering wheel with audio, climate and Bluetooth® hands-free phone controls
- Auto-dimming rearview mirror with HomeLink®

**FOUR**

**Interior Features**
- SofTex®-trimmed heated front seats; 8-way power-adjustable driver’s seat with power lumbar support; 4-way adjustable fold-flat front passenger seat
- SofTex®-trimmed tilt/telescopic steering wheel with audio, climate and Bluetooth® hands-free phone controls
- Auto-dimming rearview mirror with HomeLink®

**FIVE**

**Exterior Features**
- Single LED projector low- and high-beam headlights with auto on/off feature and LED accent lights
- Integrated fog lights
- 17-in. 10-spoke alloy wheels with P215/50R17 tires

**Accessories**

Prius v is all about versatility and being ready for just about anything, but you might want to add a few items to suit your own unique interests. For tough climates, or for extra style, add mudguards or all-weather floor mats. For a complete list of accessories, go to toyota.com/priusv.

### INTERIOR
- All-weather floor mats
- Ashtray cup
- Cargo net
- Cargo tote
- Cargo tray
- Carpet cargo mat
- Carpet floor mats
- First aid kit
- Remote Engine Starter
- Vehicle Intrusion Protection (VIP)
- Security System

### EXTERIOR
- Alloy wheel locks
- Door edge guards
- Mudguards
- Paint protection film
- Rear bumper appliqué

### TOYOTA FINANCIAL SERVICES

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love. Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every $1 spent at participating Toyota dealers and 1 point for every $1 spent everywhere else Visa is accepted. Visit www.toyotarewardsvisa.com for complete details.

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

†Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.
1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. 2. Entune® is a trademark of Toyota Motor Corporation. Always drive safely, obey traffic laws and focus on the road while driving. Services vary by phone/carrier. Functionality depends on many factors. Services subject to change. For enrollment and more details, see toyota.com/entune. 3. May not be compatible with all mobile phones, MP3/WMA players and like models. 4. iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. 5. Advanced voice recognition capabilities vary by head unit. 6. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 7. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth® enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 8. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 9. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway; updates may be available at an additional cost from your dealer. See your Navigation System Owner’s Manual for details. 10. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. All apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 11. To change the display, press the Listen button, then press the Available Apps button on the indentified media device. 12. SiriusXM services require a subscription after a 3-month trial period. Subscriptions governed by a 3-month trial period. See siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 13. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. 14. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving and maintenance practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 15. Smart Stop Technology® operates only in the event of certain simultaneous brake and accelerator pedal applications. When engaged, the system will reduce power to the drive wheels and can bring the vehicle to a stop under certain conditions. Driver input and road conditions can impact all stoppage distance. Smart Stop Technology® is not a substitute for safe and attentive driving and driving at safe speeds. Your vehicle has a maximum speed of 100 mph, for which the system functions optimally above 9 mph. 16. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal function, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. 17. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details. 18. Based on IHS Automotive: Polk U.S. Vehicles In Operation vs. new vehicle registrations for MY 2005-2014 as of October 2014.
